

## Disclaimer

---

Aussielinx is for personal use only. By using the service provided by Aussielinx, you agree to be bound by the following terms of services. If you do not agree with these terms and conditions then you should exit this web site immediately.

You agree to use the service provided by Aussielinx as is. Aussielinx does not warrant and cannot be held liable for any losses, damages or privacy violation from or through the use of this site.

The content and data provided by the Aussielinx search engine is driven entirely by automated software. Due to the large amount of data, Aussielinx does not filter out or review the contents of the data. The data returned by Aussielinx cannot be guaranteed to be accurate and Aussielinx assumes no responsibility of the search results.

It is recommended that you do due diligence research before purchasing any products on the retailers' web page or using any information provided by our web site. We do not guarantee the quality of service provided by the retailers or of the availability of products – any complaints or questions should be taken directly with the respective retailer. If you have any beliefs that we should remove a retailer from our database, please contact us.

If there is any breach of conduct by Aussielinx, please immediately contact us and we will attend to the matter urgently.

Aussielinx reserves the right on making final decisions when it comes to the content displayed on our web site.

## Use of Aussielinx

You may not resell the services provided by Aussielinx. The results returned by Aussielinx may not be taken and displayed elsewhere. You may not mirror the Aussielinx web site.

## Advertisements on Aussielinx

The Aussielinx advertisement system is driven entirely by automated software. This means that Advertisers are in full control of the advertisements that are run on Aussielinx without intervention from Aussielinx staff. Hence, AussielinxT does not filter out or review the appropriateness or authenticity of every advertised goods or services and is not liable for any loss, damages or privacy violation in the relation of the advertised goods or services.

You agree that by clicking on an advertisement from a Aussielinx advertiser, you will verify with the advertiser the accuracy, availability, safety and the legitimacy of the offer or sales of the advertised goods and services.

Advertisements displayed on Aussielinx are managed in real time by Advertisers. This means that advertisements may potentially be invalid if the advertiser has disabled or deleted the advertisement just before you click on the advertisement. It is recommended that you verify the advertisement's validity of offering/sales of goods or services with the Advertiser.

## Publications

You may reference item prices that you found using Aussielinx in publications (newspapers, magazines, e-newsletter, etc) but you must clearly reference Aussielinx for the source of information.

No direct linking into Aussielinx

You may not link into our search engine from your web site without prior written consent from Aussielinx.

### External Links

Aussielinx is neither liable nor responsible for the content or activity of any external links from our web site. You are also aware that by listing on Aussielinx that search engines spiders or bots may follow your link from Aussielinx and extract information from your site.

All retailers will indemnify Aussielinx for any loss or damage resulting from a defamation action as a result of their posted material or link. If you do not agree to these terms, you must immediately ask us to remove your site from Aussielinx.

### Rights of Change

Aussielinx reserves the right to modify or add to the current terms and services without notice. It is your responsibility to review these terms and conditions from time to time to be up to date of any changes.

### Privacy Policy

Aussielinx respects and protects the privacy of individuals that uses the Aussielinx search engine. Information identifiable to an individual will not be disclosed to any third party sources.

Aussielinx collects data (date/time of search, ip address, search keywords, results of search, etc...) for informational and reporting purposes.

Reports may be shared with our business partners or advertisers but at no means are individual information disclosed.

### Copyright

All company names and products are copyright and/or trademarked to their respective owners.
