Aussielinx Terms and Conditions

Aussielinx services are dependent upon and subject to these Terms and Conditions.

- Aussielinx Plans are subject to availability and a suitable network connection. Please contact customer service to see what internet options suit you best.
- Before a Aussielinx service can be provided at your premises a network connection must be sourced from the Network Service Provider in your area.
- Aussielinx plan prices are correct as of March 6th, 2015 and are subject to change with a 30 day written notice.
- All pricing is inclusive of GST.
- All data plans include peak and off-peak limits. Peak times are from 8am – 2am and off-peak times are from 2am – 8am
- Internet speed will be shaped to 256K/256K for the period in which the monthly usage quota has been exceeded (peak or off-peak). No excess usage will be charged.
- Download/Upload speeds available are up to 25/5Mbps, 50/20Mbps and 100/40Mbps
- Connection fees apply and cost will depend on your location and service available
- Cost of total plan fees = plan cost per month + relevant installation fee + router charges if chosen.
- The provision of these services is subject to you sourcing a suitable network connection from Aussielinx.
- Fair Use policy applies.
- Contract termination prior to the agreed end date will result in a pro rata early termination rate for the remaining period under the contract up to the amount of \$300 unable to provide services to the customer's home or business.
